- We use Stripe to process our online transactions. It is reliable, secure and you don't need an account in order to use the service. We do not store credit card details nor do we share customer details with any 3rd parties.

6. Delivery - once your booking has been completed and payment has been made, you will be provided with a full order summary via email. This will be delivered to the email address as specified upon account registration.

7. Cancellation - it is possible to cancel your whole booking, or individual sessions within the booking, through your online account. Your account will be credited for any unused sessions, provided the amendment is made by midnight the night before the day in question.

8. **HAC** reserves the right to make changes to the timetable and to the teaching staff.
